Core Values

INTEGRITY

Bronte College believes that honesty and strong moral principles enable students to deal with life’s challenges by respecting the rules of society.

TRUST

Mutual respect among all members of the Bronte College community depends on trust. Each person must believe that every member of the community is working together towards common goals.

Bronte College believes that each member of the school community must show respect one another for Bronte College property, the learning of all students and the authority of all Bronte College staff.

TOLERANCE

Our school is a diverse environment where many cultures come together to create the Bronte College community, and this community depends on tolerance and inclusion for all.

Campus Life Staff

The overall goal of the Campus Life Office is to create an environment for students that will further their development and enhance their academic potential. Bronte College strives to make campus life a rewarding experience for all students, resulting in lifelong friends and positive memories.

Students are key to the success of Bronte’s Campus Life program and are encouraged to get involved in making their campus life experience a valuable one. Student Floor Dons will assist the Campus Life office in suggesting and promoting events and making recommendations on behalf of their fellow students. All students are encouraged to connect with their Floor Dons to find out about trips and activities and offer input for the betterment of campus life.

The Campus Life staff is sensitive to the needs and concerns of students from different countries and cultures and will strive to ensure that everyone is treated fairly and respectfully. It is also expected that dormitory students be sensitive and respect the needs of their fellow students.

Attendance Procedures for Dormitory Students

Students are strongly counseled not to miss any classes or extra-curricular activities. Should a student be too ill to attend class or participate in Campus Life activities they should follow these steps:

1. Students should visit the school nurse in her office as early as possible between 7:30 am – 4:00 pm. The nurse will determine if the student is too ill to attend class or needs more medical assistance in a walk-in clinic or hospital. The nurse will notify the Head of Student Governance to indicate that the student should be excused from class.
2. During an absence, students will be expected to keep up with only as much schoolwork as they are able to complete.
3. If the school nurse is not available, students should see the Head of Student Governance during daytime hours or the Campus Life staff in the evening.
4. The Head of Student Governance and/or the school nurse will maintain the record in power school for parents/guardians and teachers of the illness. If illness occurs in the evening (outside of school hours), a Campus Life Staff Member will inform the Head of Student Governance and the nurse to follow-up next day and notify the parent/guardian.
5. At times students may require additional medical attention from the Walk-In Clinic or hospital near the school. Parents will be informed when this is necessary.
6. For extended absence due to health, a doctor's certificate will be required.

Conduct in the Halls

There will be no eating or drinking in the halls or classrooms.

To ensure that classes are not disrupted, students are not to be in the halls during class time. If a student does not have class, they may go to the library, the cafeteria, outside the school, or to the lobby. If they choose to be in the lobby students are welcome to use the chairs by the vending machines.

Student Identification Card

The Student Identification Card is part of the uniform and must be worn or carried by the student at all times. A student must produce and show their ID/room card when asked by any Bronte College staff member. During Weekend nights, dormitory students should tap ID card to go to the dormitory area.

Students should always tap their ID card leaving/entering the campus.

Hats

No hats of any kind are to be worn in any part of the school, including on Casual Days. If a student fails to remove their hat, or needs constant reminders, the teacher or administration may confiscate it.

Jewelry

Jewelry should be tasteful and moderate. Students (male and female) may wear a small stud or small hoop earrings as part of classroom dress. Multiple studs, multiple piercings, other visible body piercings, or any ornate and large pieces of jewelry are not acceptable as classroom dress and students will be asked to remove them immediately.

Hair

Male students keep hair tidy and collar length. Female students are also expected to maintain tidy hair. Spiked or other extravagant hair designs are not acceptable. Hair decorations are to be simple and functional. Hair color is to be moderate and natural (i.e. not pink, purple or golden yellow or other unnatural shades).

Lockers

1. Front Desk will assign all students lockers during the first week of classes. Dormitory students will share lockers and Day students will have a single locker.
2. Students must use the lock provided on the locker they are assigned and ensure that it is kept locked at all times.
The school is not responsible for lost or stolen items.
3. **Lockers are the property of Bronte College and may be searched by school authorities and/or the police at any time.** The possession of stolen property, weapons, or items resembling or capable of being used, as a weapon, or illegal drugs is a criminal offence and is prohibited on school property. In the event than any of these items are found in a locker they will be deemed to be in the possession of the student(s) to whom the locker is assigned, and criminal charges may be laid.

4. Students are responsible for keeping their lockers free of markings. Fees will be charged for damaged lockers.
5. Students will be responsible in emptying their lockers at the end of the academic year. Any left items will be trashed or donated to charities.

Personal Technology

The use of cell phones, any technology capable of filming/voice recording without direct consent, wearable technology for personal use only, and/or headphones is not allowed in any instructional area, including the Campus Life office, of the school except the entrance area and cafeteria. Use of these devices in other areas (classrooms, hallways, library) may result in confiscation. If the student is under investigation for a code of behavior or breaking of school rules and regulations, they may be asked to unlock their phone to assist with the investigation.

Inappropriate use of technology from outside the school may result in disciplinary action if there is a connection back to school and either of the following occurs:

- the student's actions violate a legitimate school policy or law and
- the school can show a substantial disruption or legitimate safety concern.

ANY STUDENT CAUGHT INSTALLING SOFTWARE TO BYPASS THE BRONTE COLLEGE FIREWALL ON THEIR OWN OR OTHER STUDENTS' COMPUTERS WILL BE PUNISHED IN ACCORDANCE WITH THE SCHOOL ACCEPTABLE USE POLICY AND CODE OF BEHAVIOR

Dormitory Computer Network Access

All of the dormitory rooms are connected to the Bronte College network under the wireless student network. Students must have an updated version of anti-virus software installed on their computers. We strongly recommend that each student install a software version of a firewall to protect his or her data. Bronte College is not responsible for virus or hacking attacks from within or outside of our network.

The use of a static IP is prohibited. Students must be using the address given by our DHCP server.

Each room has one network connection for your computer. However, it is possible, through the use of hubs or switches, to have more than one computer sharing the jack. This sharing of the network jack is not permitted – only one computer per jack is allowed.

The use of wireless access points of routers is prohibited due to security concerns as well as due to radio frequency interference with the Bronte College wireless network.

Internet hours are from 6:00 a.m. to 1:00 a.m. Sunday to Thursday; 24 hours/day from Friday to Saturday. Contact the IT office (M1) if you have a problem connecting to the Internet.

Reminder: Students **must** sign and return the Technology Acceptable Use form in order to use the school's network. Internet usage is a privilege that can be revoked and students are reminded to behave in accordance with the Acceptable Use Policy as well as the school Code of Behavior.

STUDY PERMIT AND VISA RENEWAL

Every year, we have many students who must renew Study Permits and VISA's. This is a government regulation and therefore controlled by government deadlines and timelines. The staff of Bronte College have no ability to speed up the process so we ask that you be aware of the need for your son or daughter to begin the process early.

Our staff in the Business Office are available to assist students in copying documents, obtaining documents from Bronte College and directing them to the appropriate websites as outlined in our Campus Life Handbook which is available on our website under Publications. Our staff are not Immigration Agents nor are they able to complete any documentation on behalf of your child. We will monitor the government website and inform you of any new changes that may impact Study Permit and VISA renewals. I am including the excerpt from our Campus Life Handbook that outlines what you and your child must do to ensure all documentation is in place to ensure that there is no interruption to their learning. Our Business Office is open from 8:00 am to 4:00 pm to assist students and we encourage them to seek help early in the process to avoid government delays.

Study Permit – Online Renewal Process
