

BRONTE BEAT - Volume 34 - Issue 3

September 19, 2024

As we complete three weeks of being back in school, this weekend also marks the official beginning of the fall season. For many of our students from tropical countries, this is their first experience of this beautiful season - a picturesque scene.

HAPPY Mid Autumn FESTIVAL

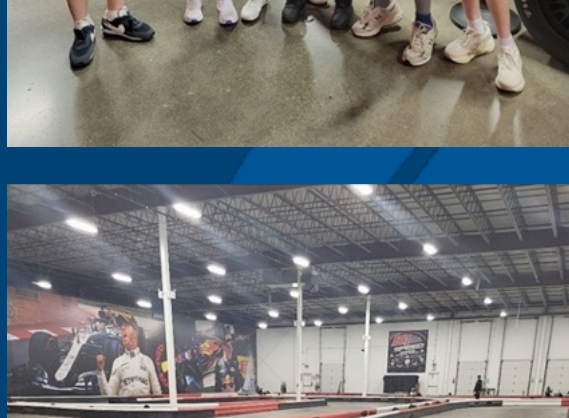

MID-AUTUMN FESTIVAL

On Tuesday, the 17th, Bronte College held a special dinner for our boarding students to celebrate the Mid-Autumn Festival. This traditional festival, also known as the Moon Festival or Mooncake Festival, celebrates Eastern and Southeast Asian culture. It is observed when the moon is at its brightest and fullest, coinciding with harvest time in the middle of autumn.

WHAT'S HAPPENING ON CAMPUS

The students from Bronte College had an exciting weekend outing at K1 Speed Go-Karting. They raced around the track, enjoying friendly competition and bonding outside the classroom. The experience was filled with laughter, cheers, and unforgettable moments, creating lasting memories and strengthening friendships among the participants.
