

BRONTE BEAT - Volume 34 - Issue 10

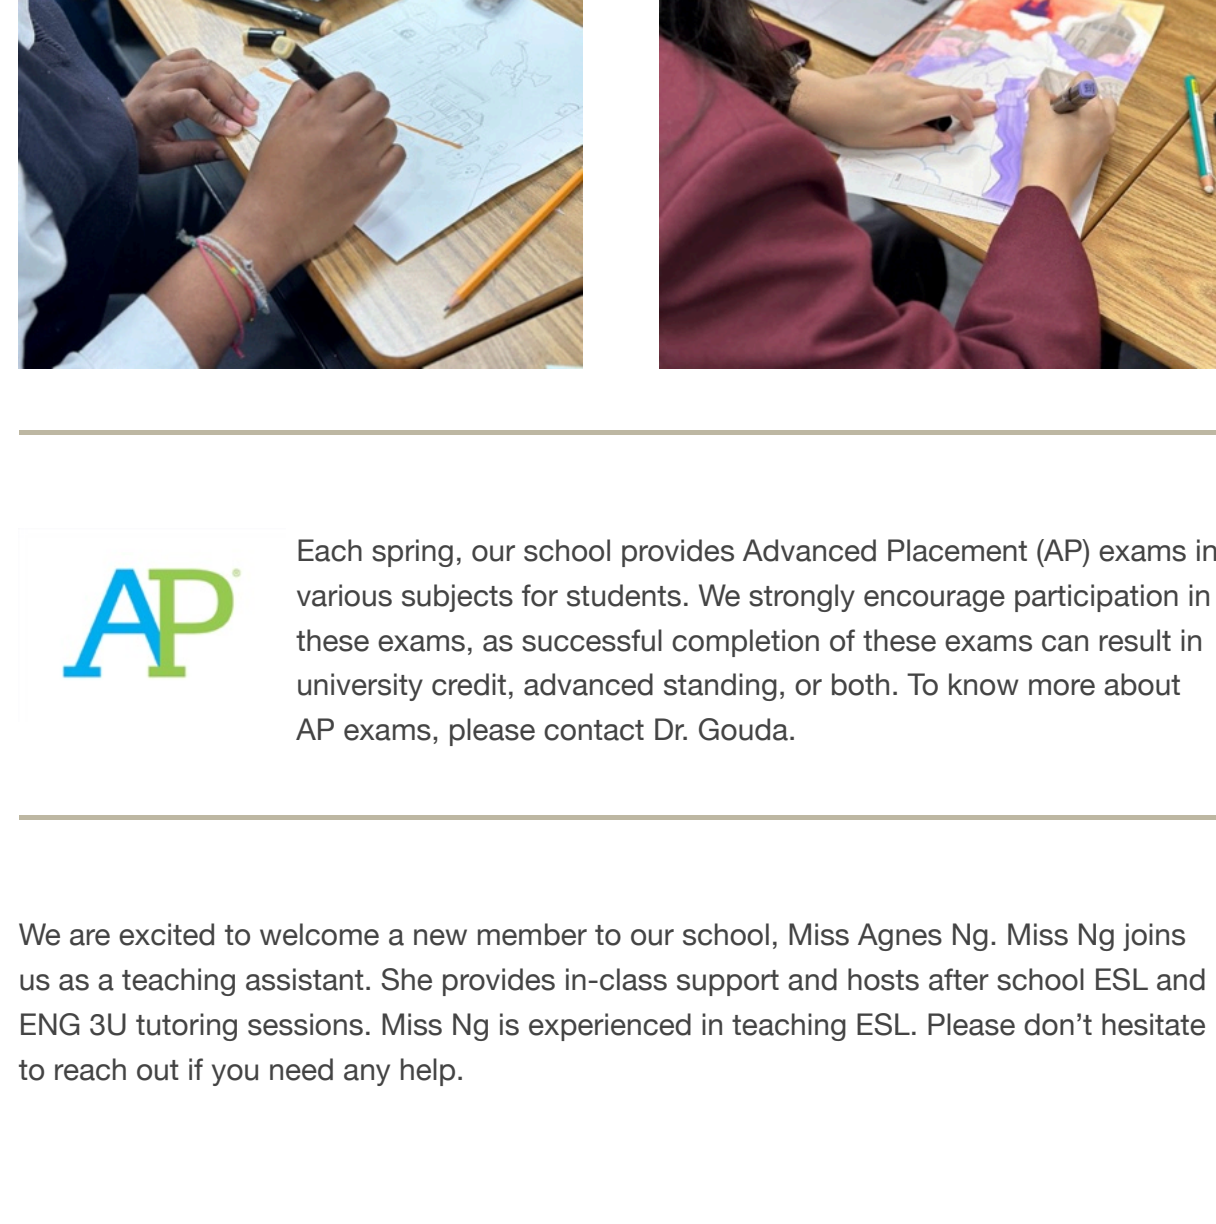

November 7, 2024

As we closed out October, our students enjoyed celebrating the Diwali Festival and participated in Halloween activities. Amidst the fun, they have also shown incredible dedication to their assessments leading up to midterms.

ACADEMIC HIGHLIGHTS

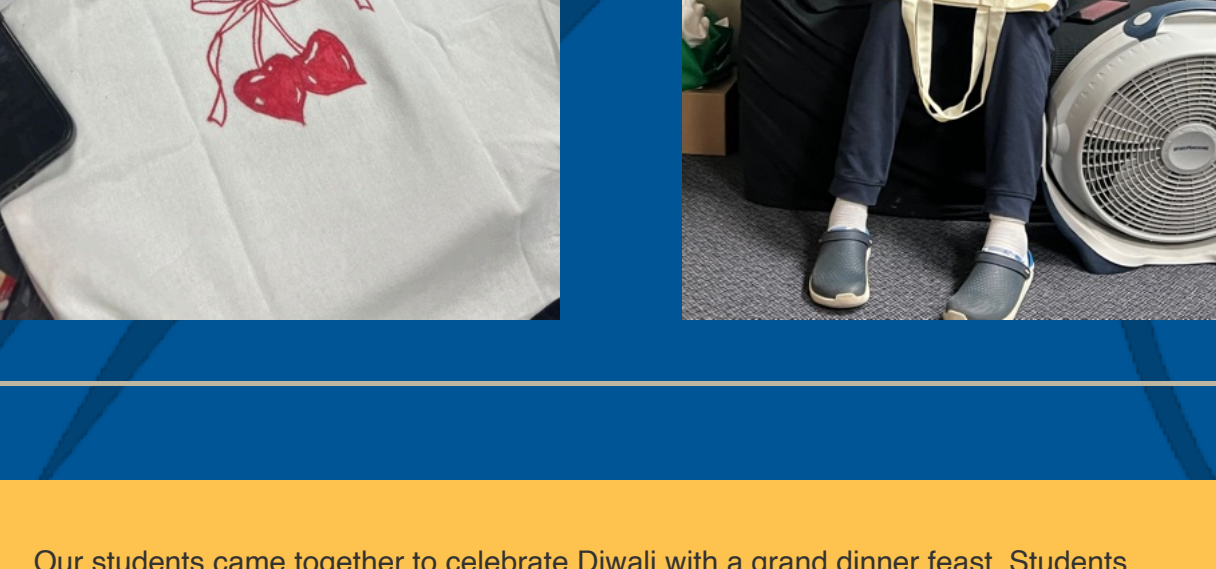

In art class, our Grade 11 students have dived into their one-point perspective assignment. They are not only mastering the fundamentals of perspective but are also challenged to incorporate supernatural elements into their drawings. A fun exploration of both realism and fantasy!

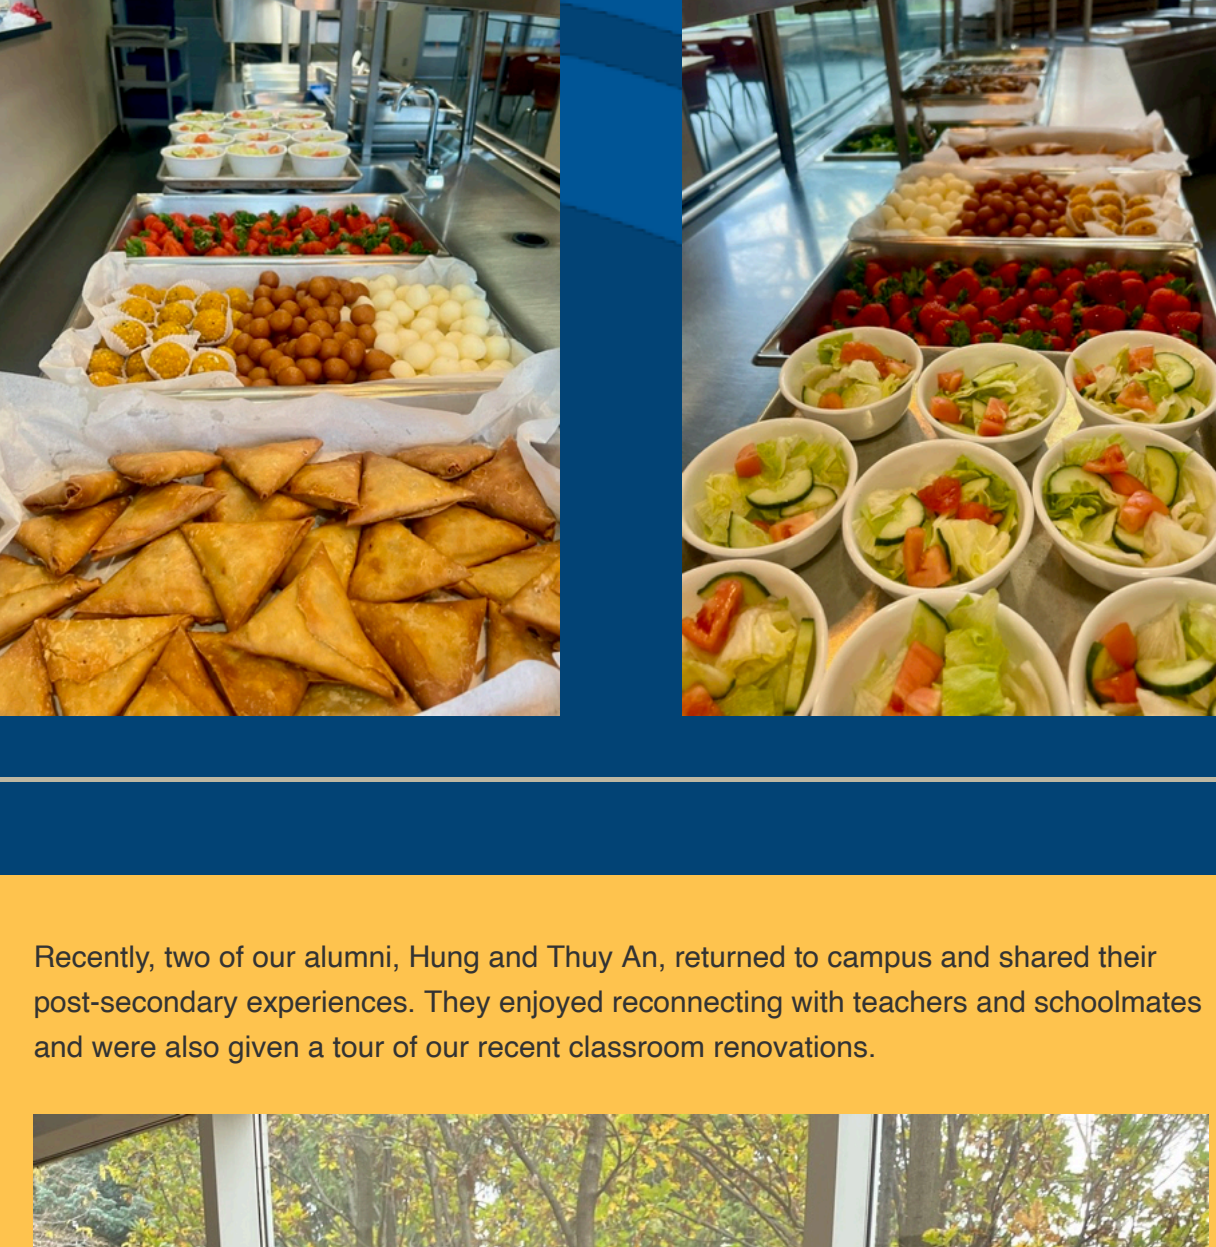

Each spring, our school provides Advanced Placement (AP) exams in various subjects for students. We strongly encourage participation in these exams, as successful completion of these exams can result in university credit, advanced standing, or both. To know more about AP exams, please contact Dr. Gouda.

WHAT'S HAPPENING ON CAMPUS

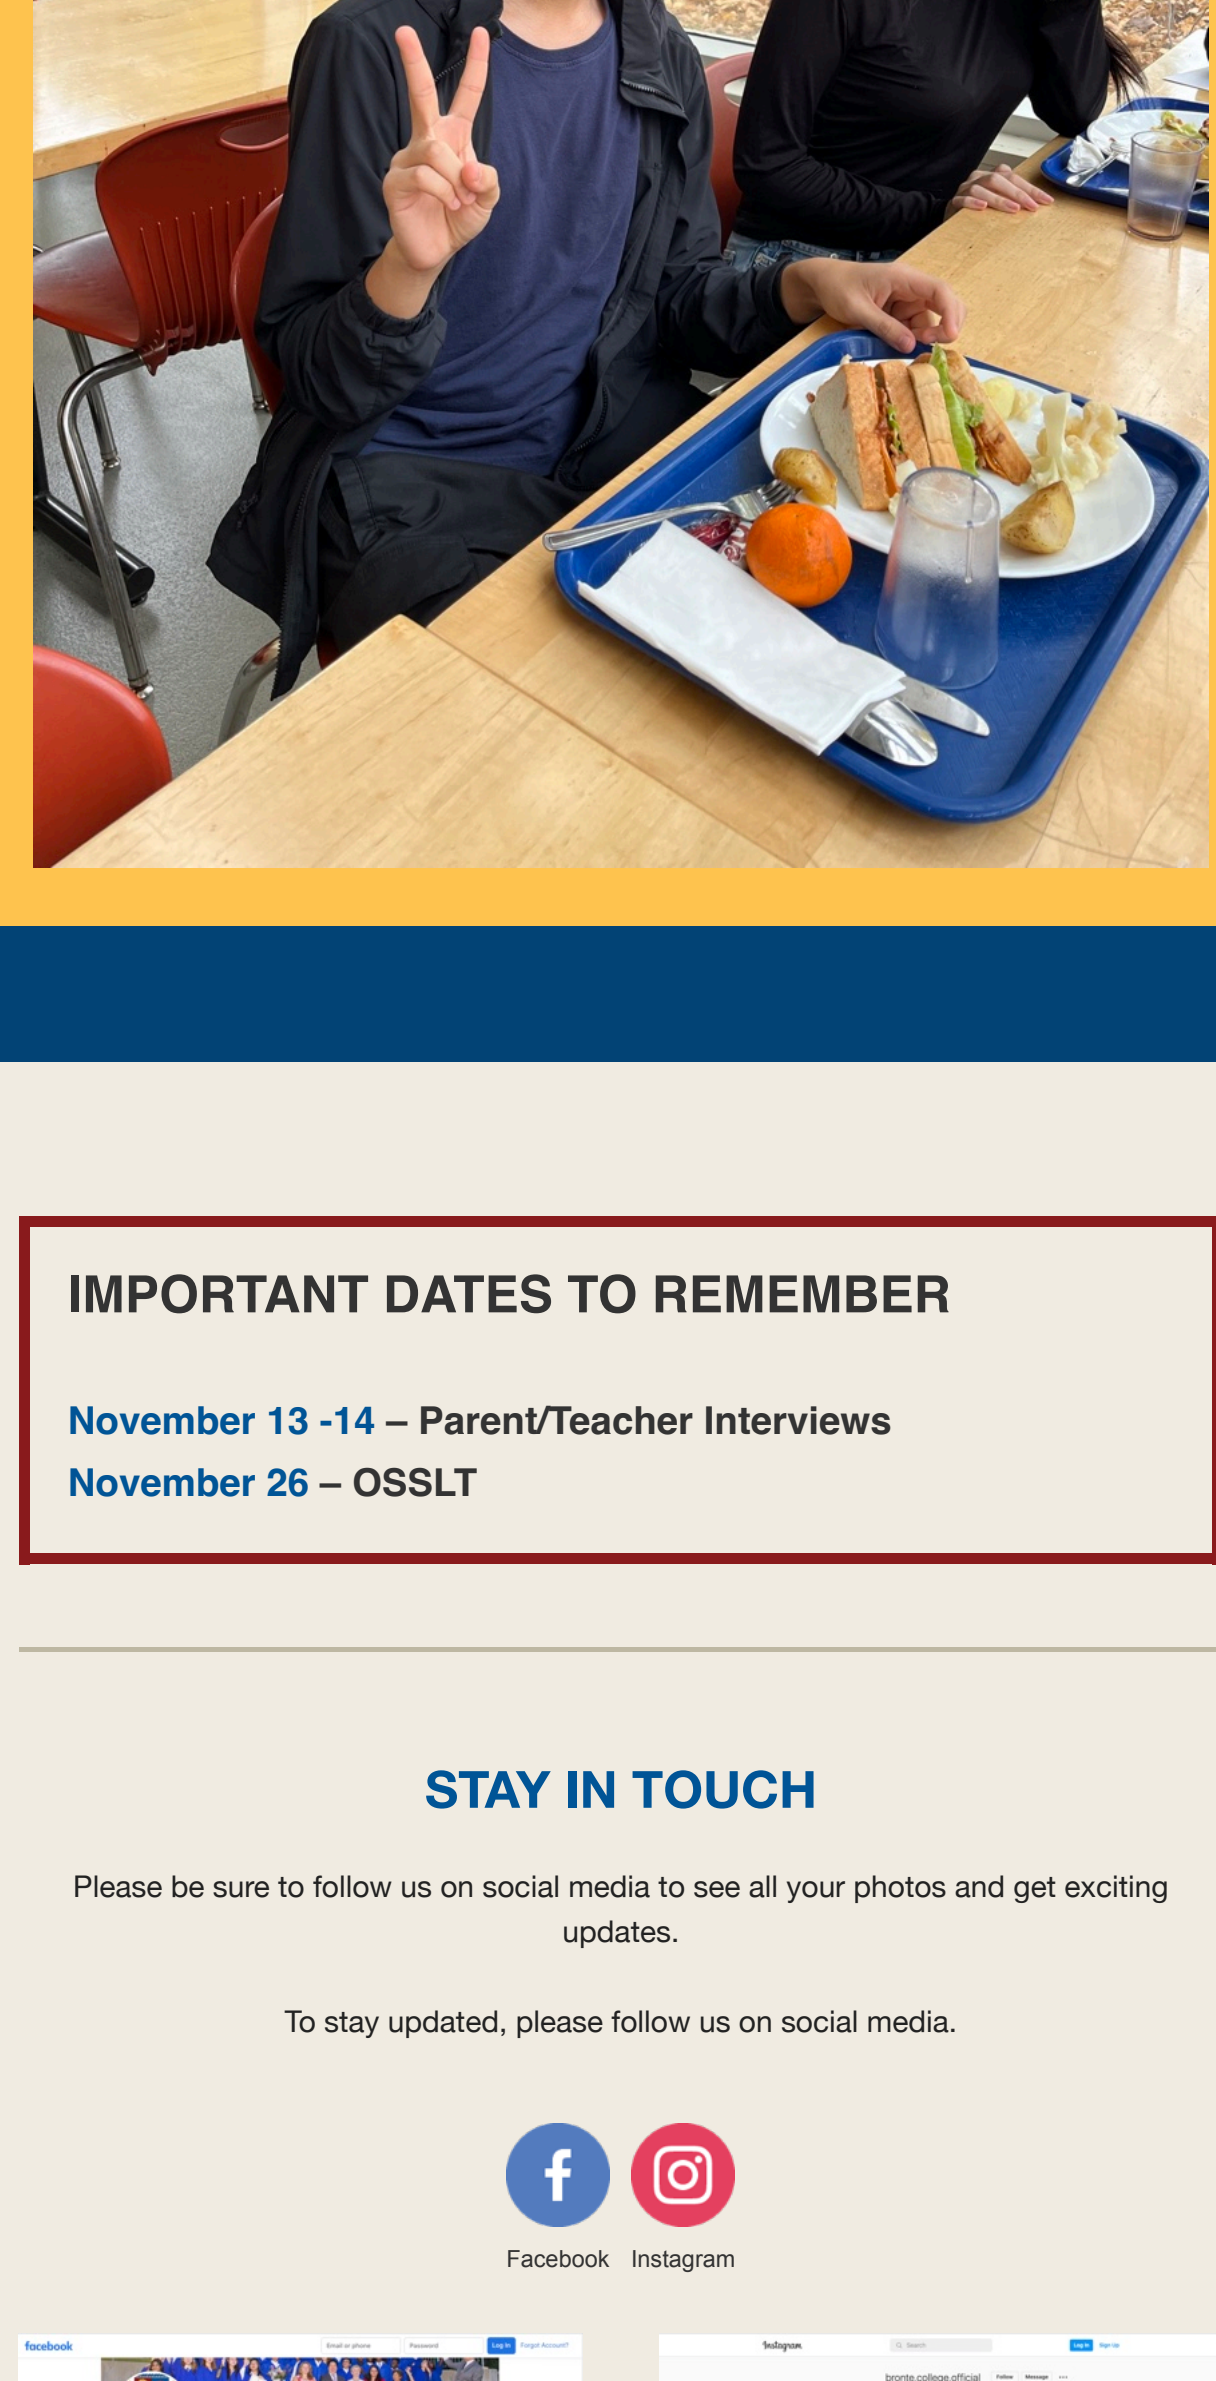

Bringing creativity and excitement to celebrations, our students and teachers dressed up in their costumes for a day. Students also decorated their tote bags for Trick-or-Treating!

Our students came together to celebrate Diwali with a grand dinner feast. Students enjoyed the traditional dishes and got to know more about the festival.

Recently, two of our alumni, Hung and Thuy An, returned to campus and shared their post-secondary experiences. They enjoyed reconnecting with teachers and schoolmates and were also given a tour of our recent classroom renovations.

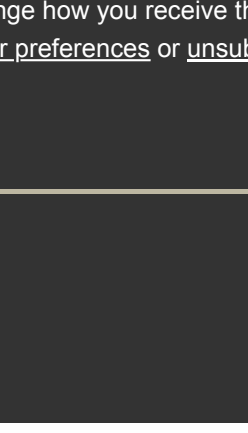

IMPORTANT DATES TO REMEMBER
