

BRONTE
COLLEGE

PRIVATE | INTERNATIONAL | BOARDING

WHO WE ARE

Established in 1991, Bronte College is a private Canadian day and boarding school, offering grades 9-12. Our hands-on, inquiry-based academic programming leads to the internationally recognized Ontario Secondary School Diploma, with Advanced Placement options for students seeking university level programming. With a globally diverse student body representing over 30 countries, we foster an inclusive learning environment that prioritizes academic excellence and personal growth. Our tailored focus on international student support and university preparation is complimented by an emphasis on Leadership Development, and student Health and Wellness. Situated in the heart of Mississauga, a multi-cultural, family orientated city, our campus is minutes away from the vibrant city centre of Toronto, and close to many of Canada's finest universities. Boarding students enjoy the added convenience of everything on one campus -academic facilities, dormitories, and cafeteria for unrivaled comfort and safety.

Vision

To shape globally minded leaders through belonging, meaningful relationships, cultural exchange and a shared pursuit of excellence.

Mission

Bronte College provides a personalized, holistic education in a diverse and welcoming global community. We inspire academic excellence, nurture character and independence, and create opportunities for cultural exchange, friendship and leadership—preparing students for university and lives of purpose and meaningful contribution.

Our Faculty

Our exceptional teachers are dedicated to helping students achieve their personal best and get the most out of their education. Our teachers hold certification from the Ontario College of Teachers or teacher certification from world renowned teacher training programs. Passionate about challenging students to strive for excellence, our teachers provide support beyond academics and into co-curricular activities that develop leadership, confidence, and respect. From the moment our students step through our doors, they embark on a remarkable journey of personal and academic growth, in a close-knit and supportive community.

STEVE SAUNDERS
Head of School

"Our responsibility is to educate the whole person. We cultivate intellectual curiosity and academic ambition alongside resilience, empathy and independence."

ACADEMICS

Bronte College strives to create exciting academic programs that will assist students in their endeavour to access top schools around the world.

Bronte College encourages a collaborative learning environment that focuses on inquiry-based learning rather than fact memorization in all our classes. By satisfying the requirements of the Ontario Ministry of Education Curriculum guidelines, all Bronte students will graduate with an Ontario Secondary School Diploma (OSSD) and have the option of writing Advanced Placement (AP) exams in Grade 12. Successful completion of AP exams enables students to earn university transfer credits. Enrichment programs include the Duke of Edinburgh Award program, and Bronte College's Express Program. All students benefit from our robust Academic Support Services, and an emphasis on Leadership Development. Additional options include English Second Language (ESL) courses, English Immersion camps and our popular summer camp program.

Pathways to Post-Secondary Education

GRADE	9	8 credits
GRADE	10	8 credits
GRADE	11	8 credits
GRADE	12	6 credits AP*

University/Transfer Credits*

**Students opting to participate in the Advanced Placement program may be granted transfer credits at the university level upon successful completion of their AP exams.*

PROGRAMS

Ontario Secondary School Diploma (OSSD)

At Bronte College, a challenging and inquiry-based curriculum is at the heart of our students' educational journey. Small class sizes ensure more personal attention from highly qualified teachers, and a collaborative learning environment provides students hands-on experience in problem-solving, teamwork and leadership. Bronte College students participate in a rigorous inquiry-based academic program, earning the internationally respected Ontario Secondary School Diploma (OSSD). To earn the OSSD, students must successfully complete 30 credits, which include compulsory courses and a range of elective options. The program encourages critical thinking, problem-solving, and effective communication skills, fostering a well-rounded education. Moreover, the OSSD equips students with the knowledge and skills necessary to further academic pursuits, while meeting the academic standards set by the Ministry of Education in Ontario, Canada.

English Support

To assist international students' transition from an ESL environment to a full academic program, students will be placed in our standard ESL program according to their pre-assessed level, in conjunction with other credit courses. Intermediate/advanced students will have the opportunity to improve their proficiency while working toward the completion of their Ontario Secondary School Diploma, while beginners will benefit from the additional opportunity to practise their English skills.

Advanced Placement (AP)

The Advanced Placement (AP) program at Bronte College provides high school students with an exceptional opportunity to delve into college-level course material. Encompassing a diverse array of subjects, including mathematics, science, history, literature, and foreign languages, students receive comprehensive support, including course materials, one-on-one guidance, and dedicated teacher assistance. Additionally, specialized workshops are available in select subjects. AP exams are conveniently written on campus in May, as Bronte College is the regional AP Testing Centre. Participating in the AP program cultivates essential skills such as critical thinking, time management, and a robust work ethic—cornerstones for success in higher education. Moreover, the potential to earn credit through AP exams translates into tangible cost savings for parents, as it may enable students to earn first-year university transfer credits in advance.

Express Program (Grade 12)

The Express Program at Bronte College offers students a fast-track route to university by earning six Grade 12 pre-university credits within a seven-month span—from December to June—while completing the requirements for the Ontario Secondary School Diploma (OSSD). Tailored for highly motivated students capable of excelling under an accelerated timetable, this intensive program includes individualized academic planning, university application support, after-school academic assistance, and guidance counselling.

A portrait of Teoman, a young man with dark hair and glasses, wearing a maroon blazer over a white shirt and a striped tie. He is sitting at a wooden table with his hands clasped in front of him. The background is a large window with a view of trees.

Meet TEOMAN

Grade 12

Teoman came to Bronte College from Turkey in 2021. He has since excelled in academics, and gained leadership skills by actively participating in extra-curricular sports and programs. He joined the Student Athletic Council in his eleventh grade, where he learned valuable skills such as event planning and creativity.

How long have you been studying at Bronte College and what has made your time here special?

I have been studying at Bronte since September 2021 and what made my time here special was that I met many people from different parts of the world which helped me gain valuable knowledge about various cultures. Being part of the basketball and soccer teams was also a significant source of joy for me during my stay here.

Where did you gain acceptance to university and which programs? Were you granted any scholarships?

Fortunately, I was accepted into my chosen computer science programs at Carlton, Western, and Acadia Universities in Canada, as well as prestigious institutions such as the University of Groningen and Hanze University of Applied Sciences in the Netherlands. I also earned and accepted the offer to my top choice, Sabanci University in Istanbul.

What are your future goals?

My goal is to pursue a degree in computer science at university and gradually participate in technology projects to enhance my understanding of computers and systems. Additionally, I intend to obtain a Master's degree in computer science to establish a solid foundation for my career.

What advice would you like to give to students that are starting their journey at Bronte?

"Adjusting to the responsibilities of living alone can be difficult if you have never done it before. To overcome these challenges, it's important to manage your finances well, prepare yourself mentally, manage your time effectively, seek guidance from your teachers, maintain a healthy sleep schedule, and don't hesitate to ask for help from those around you."

Teoman

Country of Origin: **Turkey**

Empowering Tomorrow's Leaders at Bronte College

At Bronte College, leadership is not just taught — it is experienced. We believe in nurturing well-rounded, confident, and empowered individuals through a wide range of dynamic leadership opportunities that support both academic excellence and personal growth.

Our Bronte House Leaders bring spirit and energy to student life by organizing exciting intraschool competitions and inspiring their housemates to earn points and take pride in their community. Through programs like the Student Athletic Council, School Prefect Program, and Peer Mentor Program, students develop real-world leadership skills while making a meaningful impact on school life.

Academic leadership also flourishes at Bronte through our well-established Peer Tutoring Program, where students support one another during Study Hall and after school — fostering collaboration and academic excellence.

Our Student Dons, leaders within our dormitory community, play a vital role in welcoming new students, planning engaging events, and providing ongoing support within our residential floors. Their presence ensures a safe, inclusive, and encouraging environment for all boarding students.

Junior Leadership Program – Building Strong Foundations

Tailored for our younger students, the Junior Leadership Program is designed to cultivate leadership potential, encourage personal development, and promote overall well-being in a supportive and enriching environment.

Junior students benefit from:

- Health & Wellness Workshops through our Bridge to Well-Being Program
- Inspirational Guest Speakers
- Outdoor Leadership Experience (Camp, in an international acclaimed, Muskoka region)
- Junior Prefect Opportunities
- Peer Mentorship and House Competitions
- Duke of Edinburgh's International Award

This program is supported by our dedicated Guidance, Campus Life, and School Nurse, helping students form strong peer connections, build independent living skills, and thrive in a supervised, nurturing setting.

Through our Campus Life Program, junior boarders enjoy safe, structured opportunities to explore the Greater Toronto Area, while mandatory study halls help them build strong academic habits from the start. At every level, Bronte students are inspired to lead — and empowered to shine.

WHAT DO I NEED TO GRADUATE

Ontario Secondary School Diploma (OSSD)

Students who successfully complete high school are awarded the Ontario Secondary School Diploma (OSSD) from the Ontario Ministry of Education. Students who have taken secondary school courses in another country will be offered equivalent credits based on the successful completion of those courses.

Become familiar with the requirements students must fulfil in order to graduate with an OSSD.

30 Credits

17 Compulsory Credits

- Examples of compulsory subject matter include English, Math, Science, History, Geography, Arts, Physical Education, Civics, Career Studies, Second Language, Technological Education (in grade 9 OR 10)

13 Optional Credits

- Students select these elective courses of various subject matter from our course calendar

Students must now earn a Technological Education Credit in Grade 9 or 10 as part of their high school diploma. Students will earn a total of 17 compulsory credits and 13 optional credits. This change will be phased in over the next several years.

OSSLT

The Ontario Secondary School Literacy Test (OSSLT)

- Created and assessed by the EQAO (Education Quality and Accountability Office)
- Evaluates language skills based on the Ontario Curriculum's expectations at the Grade 9 level in the formal OSSLT online test
- Bronte College provides test preparation through the Head of Resources and Guidance Department
- Bronte College provides students with two opportunities a year to complete the test

40 Hours

Community Service

- Students must complete 40* hours of community service
- May be completed at any time during their high school years
- Service may take place in businesses provided it does not replace a paying job, non-profits, public sector institutions and informal settings

*based on year of entry: grade 9/10 – 40 hours, grade 11 – 20 hours, grade 12 – 10 hours

Attentive Diligent Determined

Read more about
Tiantian's journey to
post secondary success!

Meet **Grade 12** TIAN TIAN

Tiantian came to Bronte in 2022 and has since been an active member of all activities around campus including the chess tournament and triathlon. She plans to pursue her career in mathematics and make her way to becoming a successful financial analyst one day.

How long have you been studying at Bronte College and what has made your time here special?

During my one-year stay at Bronte College, I had a wonderful time. A few of the things I enjoyed the most were the wide variety of activities available for students to partake in and the exposure to students from different cultural backgrounds which taught me how to appreciate and embrace our differences, which I consider a valuable life lesson.

Where did you gain acceptance to university and which programs? Were you granted any scholarships?

I received scholarship offers from both McMaster University and Wilfrid Laurier University, however, I decided to pursue the mathematics program at the University of Waterloo.

What are your future goals?

I have a strong interest in mathematics and am pursuing a career as a financial and data analyst. I am constantly seeking opportunities to expand my knowledge in this field.

What advice would you like to give to students that are starting their journey at Bronte?

"I think the most important thing when studying at Bronte is time management and self-motivation. Besides doing your homework, hanging out with your friends, taking part in sports, and attending after-school clubs are good choices to fill up your spare time".

TianTian

Country of Origin: China
University: University of Waterloo
Program: Mathematics

DORMITORY

Bronte College offers safe and comfortable dormitory rooms to over 350 students. Approximately 83% of the rooms are single rooms while the remainder of the rooms are shared (double and quad rooms). Open during all holidays and school breaks, the dormitory houses students from all over the world, creating a vibrant living environment.

Campus Life Staff

Our Campus Life Staff are dedicated to creating a welcoming environment that will further students’ development and enhance their academic potential. They ensure student safety and well-being while creating a dynamic campus life after school and on weekends. They help lead a variety of after school and weekend trips such as the CN Tower, Niagara Falls, Canada’s Wonderland and Quebec City. Bronte College strives to make campus life a rewarding experience for all students, resulting in lasting memories and lifelong friendships.

Student Dons

Our Student Dons are another important source of support after school hours. Assigned to each floor of the dormitory, Student Dons are responsible for monitoring the safety of the dormitory, providing guidance to students in need and creating a fun and unified environment. Students are integral to the success of Bronte’s Campus Life program and are encouraged to get involved in making the most of their campus life experience.

Campus Life Program

Students enrolled in the program must attend supervised Study Hall sessions on Monday to Thursday evenings, from 7:00-9:00pm. They may also participate in most of the weekend trips described above at no additional cost.

Homestay

In addition to dormitory accommodations, Bronte College offers a homestay program, which allows students in Grades 9 to 12 to live with a local host family. Host families are located near the campus and are an ideal way for students to get acclimated to Canadian life. We place students with a host family based on hobbies and preferences to ensure a comfortable and fulfilling experience. All Homestay host families are required to go through a comprehensive screening process, including reference checks, personal interviews, home visits and a Police Records Check.

Single Room Vanity*

“The Bronte Campus Life Team is one of the most attentive staff teams at school because their priority is always the students.”
– Cordelia

CAMPUS LIFE

Begin your adventure and move confidently in the direction of your dreams to live the life you have imagined at Bronte.

Centrally located in Mississauga, our campus is comprised of our dormitory, cafeteria, academic facilities, and backs onto a quiet conservation parkland.

“Being a part of the Food Committee is great because I get to learn more about food from different countries, experience new cultural dishes and work with my friends outside of academics” – Ruhi

FACILITIES

Open all year round, students can enjoy the amenities we have to offer, including our fitness room, gymnasium, auditorium, library, outdoor field, courtyard, art & science labs, and full-service cafeteria. All classrooms are equipped with smart technology to enable interactive, collaborative learning. Facilities are subject to use during designated times.

Cafeteria

Our cafeteria provides nutritious meals prepared by a multicultural team and is open 365 days per year. We offer students a full meal plan. Students are served breakfast, lunch and dinner Monday to Friday, as well as an evening snack Monday to Thursday. Brunch and dinner are served on weekends and holidays. Vegetarian and halal options are available for all meals.

Library

Our library is a wonderful space designed to facilitate collaborative learning for students. Being the hub of the school for networking and information access, the library is a place for all to read, research, study and collaborate. Students utilize current technology by blending a variety of print and digital resources to enhance their learning.

Gym & Outdoor Field

Our campus has a gymnasium and multi-purpose outdoor field, where many athletic, social and extra-curricular activities take place. Additionally, we have a fitness room open seven days a week.

Dedicated Compassionate Open-minded

See how Efti prepared for
post secondary acceptance.

Meet EFTI

Grade 12

From Bangladesh, Efti has been an energetic and driven presence at Bronte College for the past two years. A member of the Student Activity Council, he balanced academics with an extraordinary extracurricular load — soccer, wrestling, debate, badminton, cross country, powerlifting, and competitive cricket outside school. His strongest academic area is in business subjects, but his ambition extends well beyond the classroom.

Efti applied to UofT, Waterloo, Western, Trent, Windsor, TMU, and Carleton, and was accepted to them all. He chose to enter the University of Waterloo's double degree in Aviation, supported by entrance, leadership, and sports scholarships. His long-term plan is to complete an MBA at Harvard and found his own airline company.

Adjusting to a new curriculum was a challenge, but with teacher support, Efti thrived academically and personally. He is proud of paving the way for future Bronte students in the Waterloo Aviation program, and being the first Bangladeshi student at Bronte — a role that helped shape him into, in his own words, "a good leader and an academic mentor."

Efti's fondest memories are of the friendships he formed at Bronte. His advice to future students: "Hard times will come, but never look back; keep working hard."

Efti

Country of Origin: **Bangladesh**
University: **University of Windsor**
Program: **Aeronautics Leadership**
Clubs: **Prefect, SAC**

EXTRACURRICULAR ACTIVITIES

Find your passion, discover your interests and create memorable experiences at Bronte College. Bronte's campus delivers lively and dynamic opportunities that will fulfill and enhance yourself.

There are many opportunities for students to develop themselves through our extracurricular activities, such as athletics, student clubs and involvement within the local community.

AN ACTIVE, INSPIRED STUDENT LIFE AT BRONTE COLLEGE

At Bronte College, we believe education goes beyond the classroom. We are committed to providing a vibrant and well-rounded student experience, promoting an active lifestyle, creative expression, and strong community connections. Whether you're a passionate athlete or just looking to stay active and engaged, there is something for everyone here.

Athletics

As proud members of the Region of Peel Secondary School Athletic Association (ROPSSAA), Bronte College athletes compete against local schools in a variety of exciting sports. Our Varsity Teams offer opportunities for student-athletes to train, compete, and build teamwork and resilience.

Varsity Sports:

- Cross Country
- Volleyball
- Basketball
- Table Tennis
- Badminton
- Soccer
- Track & Field

For students looking for a more relaxed way to stay active, our after-school recreational sports clubs are the perfect fit.

Join supervised sessions in:

- Volleyball
- Basketball
- Table Tennis
- Badminton
- Soccer

Whether it is high-level competition or casual play, Bronte encourages all students to get involved and stay moving.

Clubs

Creativity, curiosity, and community come to life through our wide range of after school clubs. Based on student interests, our clubs offer something for everyone – whether you're looking to learn a new skill, express yourself, or simply have fun.

Student clubs include:

- Art Club
- Cooking Club
- Yearbook Club
- Photography Club
- Math Help Club
- Dance Club
- Debate Team
- Fitness Club
- Gardening Club

Students are always encouraged to propose new clubs and lead the way!

At Bronte College, there is more than one way to lead, grow, and connect. Whether on the court, in the studio, or as part of a team, students are encouraged to explore their passions, challenge themselves, and make lifelong memories.

House System

At Bronte College, community matters. That is why every student is part of our House System – a fun and engaging way to build friendships, foster leadership, and create school spirit.

Students are assigned to one of four cross-grade "houses," (red, green, blue and purple) promoting mentorship and camaraderie. Throughout the year, houses earn points by participating in school-wide events, activities, and competitions. At the end of the year, the top house is awarded the coveted House Cup.

The House System:

- Builds school spirit and inclusion
- Encourages leadership and teamwork
- Connects students across grades
- Adds energy and fun to student life

HOW TO APPLY

1. Apply online at www.brontecollege.ca. A photocopy of the applicant's passport, certified school reports or official transcripts for the past three years of education, as well as the non-refundable application fee (CAD \$300.00) must accompany the application form.
2. Upon receipt of these documents, the application will be reviewed. If the student is accepted, Bronte College will issue the student a Conditional Letter of Acceptance (CLOA), stating the program and fees payable.
3. Once payment is made to Bronte College, an official Letter of Acceptance and receipt of payment will be issued. International students can apply to the nearest Canadian Embassy or Consulate for a study permit.
4. For international students under 18 years of age, a signed Custodianship Consent Form must be provided by the parents or legal guardian, together with the non-refundable service fee of CAD \$300.00 for the preparation of a notarized Custodianship Declaration.

School transcripts and the completed application fee form can be emailed to admissions@brontecollege.ca

All new students are required to write the Bronte College Proficiency Tests in English, Mathematics and Science if applicable.

More information can be obtained from our website at www.brontecollege.ca, by contacting the school directly at 1 (905) 270-7788 or by sending an email to admissions@brontecollege.ca.
